Mission Statement

Our mission is to serve as the principal advocate for and stewardship of South Carolina's natural resources.

Vision

Our vision for South Carolina is an enhanced quality of life for present and future generations through improved understanding, wise use, and safe enjoyment of healthy, diverse, sustainable and accessible natural resources.

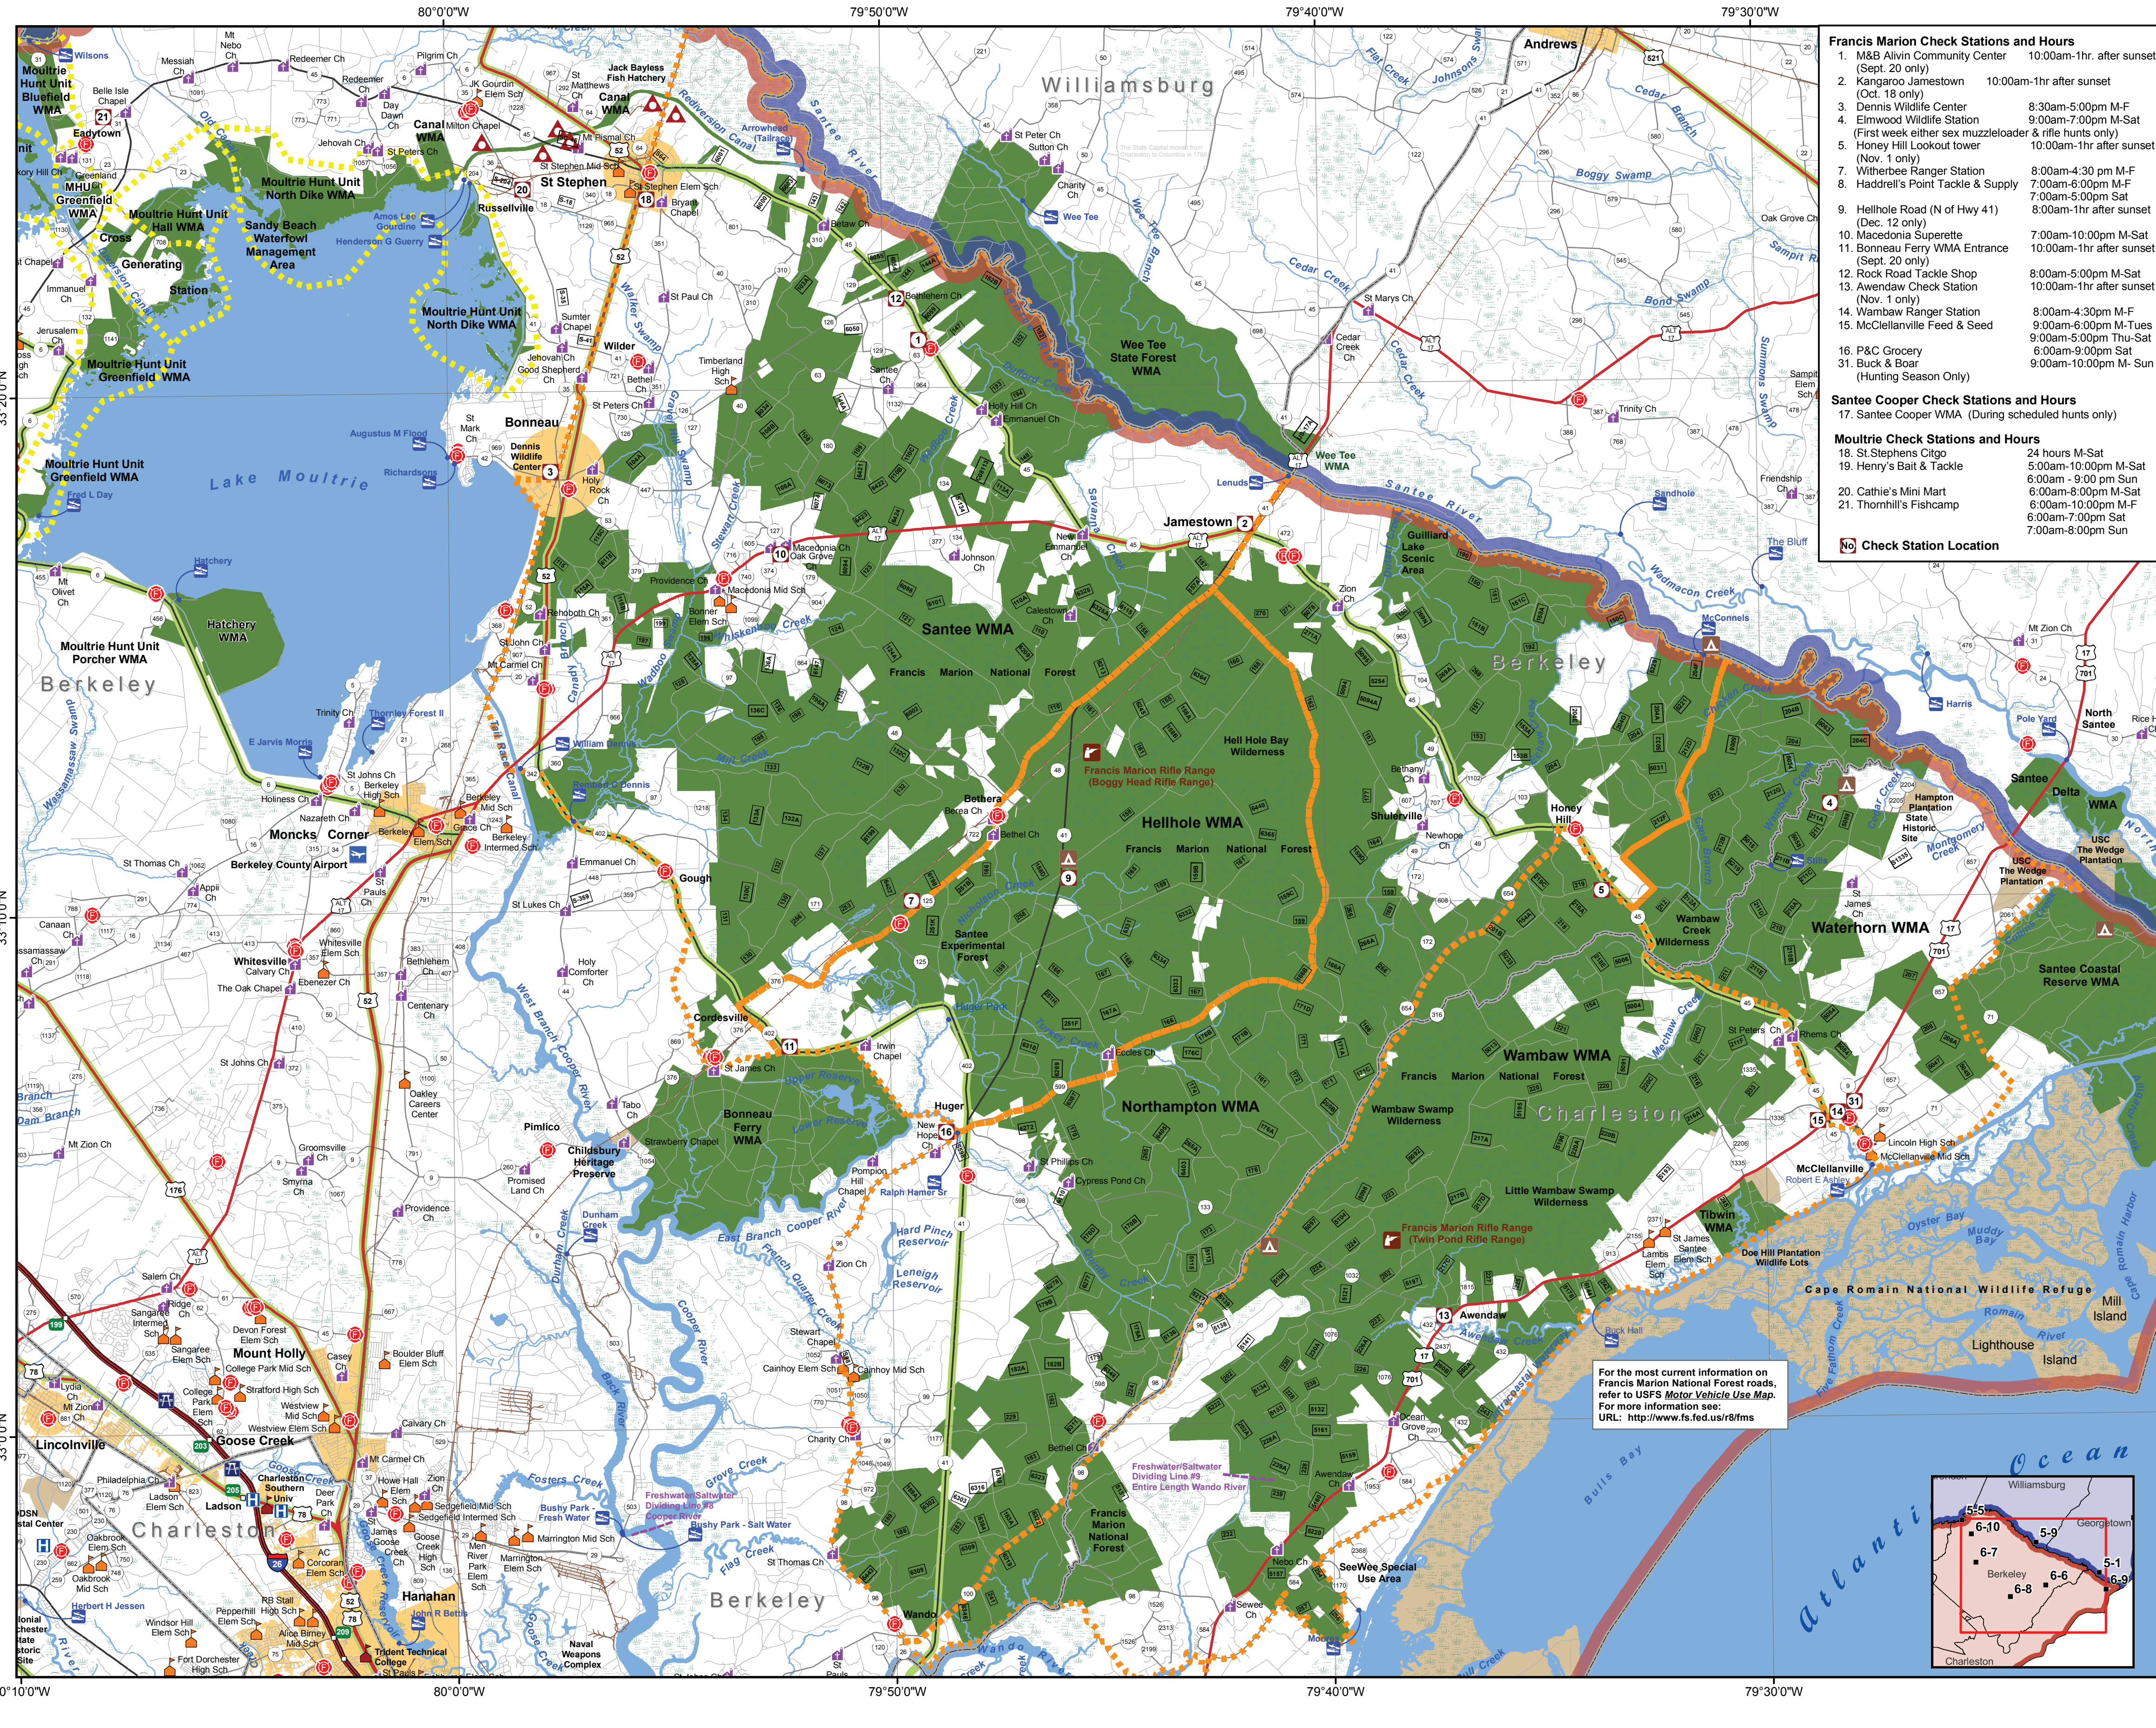

Our vision for the Department of Natural Resources is to be a trusted and respected leader in natural resources protection and management, by consistently making wise and balanced decisions for the benefit of the state's natural resources and its people.

DNR Pledge

"Members of the public are of utmost importance to us, whether in the office or field. We must listen to their concerns and balance their needs with those of the state's natural resources, for which we are accountable. In essence, they are our employers, and we should treat them with the dignity that such a position affords."

DNR

The South Carolina Department of Natural Resources prohibits discrimination on the basis of race, color, gender, national origin, disability, religion or age. Direct all inquiries to the Office of Human Resources, PO Box 167, Columbia, SC 29202

Thanks to Landowners	
Landowners providing their land for public hunting and recreation are due much appreciation from SCDNR and all outdoor enthusiasts. Without these lands, public hunting as provided in this state would be impossible.	
Sportsmen seeing the yellow and black diamond-shaped signs designating WMA boundaries should remember they are hunting as guests of the landowner and be respectful of this privilege.
